## 'TERRIFIC STADIUM'

ENGLAND COACH THRILLED BY DUBAI'S NEWEST VENUE: THE SEVENS ■ FEELS PRESSURE INCREASE

DUBAI **John McAuley**

Ben Ryan, the England head coach, gave a ringing endorsement of the new facilities at The Sevens venue as his side progressed to the Emirates International Trophy quarter-finals. "From what we saw a few days ago when it was basically a building site, the organisers have done an amazing job in putting it all together," said the 37-year-old from pitchside.

"It really is a fabulous facility here. When you're on the field and you see the depth and height of the far

And while he was impressed with the facilities at the recently opened venue, Ryan was pleased The Sevens had managed to replicate the electric atmosphere generated at the old Exiles Ground.

"There are lots of similarities with the set-up and when you walk around the pitch it does feel like the old ground," said the coach.

"This one is bigger and, although it's a modern upgrade of the Exiles, I don't think it's lost its community value. The team certainly thought it's a terrific place to play. We get loads of support here, which can put the pressure on a bit more, but to hear the fans being so vocal is very positive."

England coach Ryan says The Sevens venue is fabulous. DENNIS B MALAN
